	I understand that telehealth involves sharing my health information electronically. I will tell my healthcare provider if there is any information that I do not want to talk about in a telehealth visit.
	I understand that I may stop the telehealth visit at any time. If I decide to stop, I will still be able to receive care at this office.
	I understand that I may have to check with my insurance plan to see if telehealth visits are covered.
	I understand that telehealth visits carry some level of risk. These risks include but are not limited to:
	 My computer, tablet, or phone may not be private and secure, especially if other people use it. It is my responsibility to make sure my internet system is private and secure and to make sure I am in a private place during the visit. Technical problems may interrupt or stop the visit before it is done. My healthcare provider cannot examine me as closely during a telehealth visit, and this may make it harder to determine what is wrong with me.
	I agree that information shared during my telehealth visit will be kept by the healthcare providers and facilities involved in my care.
	I understand that the telehealth visit will or will not (circle one) be recorded.
	I understand that I will be asked to confirm my identity and current location to the healthcare provider seeing me.
	I also have the right to confirm the identity and credentials of the healthcare provider who will be seeing me.
	I agree to follow my healthcare provider's recommendations—including lab tests and x-rays, sending me to a specialist, or asking me to come to the office or go to an emergency department for an in-person visit.
